

WELCOME TO JIGGER & JAR

Established in October 2019, Jigger & Jar is an independent, table service-only cocktail and wine bar situated in Garforth, Leeds.

MENU - EDITION 5

Cocktails, mixed drinks and more

The following pages showcase our current selection of original and classic cocktails. Divided into five sections, we are excited to take you on a journey through many different drink styles and spirits from around the world.

Need help finding the perfect drink for you? Our team can make recommendations or re-create classic cocktails that are not listed.

We have a passion for agave spirits here at Jigger, so be sure to check out our expansive list of mezcal and tequilas. We're always adding to our collection so please ask us for guidance or advice when choosing.

We also stock a wide selection of other spirits, which can be served straight up, on the rocks, or with your preferred mixer.

Our selection of wines and beers can be found towards the end of the menu along with our sharing platters, sweet treats, hot beverages and mocktails.

Booking a table

As we are table service only, booking a table is recommended - especially at weekends. We also welcome walk-ins when possible.

Email us at hello@jiggerandjar.co.uk or message us via our Facebook or Instagram pages to book.
